New course: EMSA 475, Critical Care Transportation Provider 2 (Effective 073)

U 2007-5-2-038 MED Department of Surgery Approved
New course: EMSA 476, Critical Care Transport Provider Practicum (Effective 073)

U 2007-5-2-039 MED Department of Surgery Approved
New course: EMSA 491, Special Topics (Effective 073)

U 2007-5-2-039a MED Department of Surgery Approved
New course: EMSA 492 Independent Study (Effective 073)

U 2007-5-2-040 MED Department of Surgery Approved
New concentration: new program in the Bachelor of Interdisciplinary Studies with concentrations: BIS in Emergency Sciences and Administration with paramedic clinical concentration and professional studies concentration (Effective 073)

U 2007-5-2-040a MED Approved
Other: Request to establish new rubric EMSA (Effective 073)

U 2007-5-2-041 ART Approved
Revision: Revision to bulletin copy for its General Education Requirements section (Effective 073)

U20075-3-042 Endorsed

SCHEV Core Competency Quantitative Reasoning Assessment Plan
The assessment plan is endorsed with the understanding that the plan reflects the best plan possible given the institutional strictures applied to its development by the governing council with respect to outcomes and, by extension, methods available for evaluation.
