

**UUCC Minutes**  
**October 18, 2007**

**Attendees:** Laura Moriarty, Danielle Broughman, Allen Freedman, Jill Hardin, Sandra Wheeler, Joseph Walsh, Steven Richarde, Patty Gray, Shannon Mitchell, Hongsik Choi, Paula Otto, Elizabeth Meixner, Herschell Emery, Katherine Walker, Barbara Judy, Teri Dunnivant, Karen Carey, Helen Ruth Aspaas, Sue Brilliant, Teri Dozier, and Seth Leibowitz

\*UUCC 10-18-001 – New Course, ARTH 490, Senior Seminar in Art History  
Reviewer: Marianne Miller      Secondary Reviewer: Loraine Stewart

\*UUCC 10-18-002 – Revision Major Bulletin Copy, ARTH 490, Revision to the curriculum lists in current bulletin to reflect addition of new ARTH 490 course  
Reviewer: Marianne Miller      Secondary Reviewer: Loraine Stewart

[\*Tabled based on request from SOA]

UUCC 10-18-003-1 – Revision of Major [Bulletin Copy, Curriculum Requirement], BS in Computer Science  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-003 – Revision of Course [Course title, course description, course prerequisites], CMSC 311 Computer Organization –  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-004 – Revision of Course [course prerequisites] – CMSC 403, Programming Languages  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-005 – Revision of Course [course prerequisites], CMSC 490, Research Seminar  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-006 – Deletion of Course, CMSC 505, Computer Architecture  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-007 – Revision of Course [course prerequisites], CMSC 509, Artificial Intelligence  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-008 – Revision of Course [course prerequisites], CMSC 519, Software Engineering Specification and Design  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray      **Approved**

UUCC 10-18-009 – Revision of Tracks: Life Science Track to Life Science Focus/Pre-Med Track and Chemical Engineering Track to General Track  
Reviewer: Shannon Mitchell      Secondary Reviewer: Patty Gray  
**Withdrawn by School of Engineering**

UUCC 10-18-010 – Revision of Course Description, CMSC 255, Intro to Programming  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-011 – Revision of Course, CMSC 256, Data Structures & Object Oriented Programming  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-012 – Revision of Course, [course title and description], CMSC 355, Program Design and Implementation Practicum  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-013 – Revision of Course Description, CMSC 401, Algorithm Analysis with Advanced Data Structures  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-014 – Revision of Minor; Adding CMSC 101, Intro to Computer Science to minor requirements  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-015 – New Course, CMSC 101, Intro to Computer Science  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-016 – Revision of Course [course number, course description, course content], CMSC 302, Intro to Discrete Structures  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-017 – Revision of Course [course number, course description, course content, course prerequisites], CMSC 521, Intro to the Theory of Computation  
Reviewer: Sandra Wheeler      Secondary Reviewer: Jill Hardin      **Approved**

UUC 10-18-018 – New Major, Liberal Studies for Early and Elementary Education (LSEEE) in Bachelor of Interdisciplinary Studies  
Reviewer: William Korzun      Secondary Reviewer: Alan Freedman      **Approved**

UUC 10-18-019 – Revision of Curriculum Requirement: Change NURS 101, Intro to Nursing from a *Required* Course to an *Elective* Course  
Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi      **Approved**

UUC 10-18-020 – Revision of Course Prerequisite, NURS 201, Concepts of Nursing, from “NURS 261” to “Admission to the School of Nursing.”  
Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi      **Approved**

UUC 10-18-021 – Revision of Course Description: Editorial Change – NURS 395, Junior Synthesis Course, change “Pre or Co-requisite” to “Prerequisite.”  
Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi      **Approved**

UUC 10-18-022 – Revision of Course Description: Editorial Change – NURS 396, Nursing Internship change “Pre or Co-requisite” to “Prerequisite.”  
Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi      **Approved**

UUC 10-18-023 – Revision of Course Prerequisite, NURS 477, Leadership and Management in Health Care From “None” to “Completion of at least three 300-level clinical courses or equivalent.”  
Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi      **Approved**

UUC 10-18-024 – Revision of Course Prerequisite, NURS 486, Nursing Leadership and Management Practicum, add “Pre or Co-requisite: NURS 477.”

Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi **Approved**

UUC 10-18-025 – Revision of Course [Course description, course prerequisites] NURS 496, Senior Synthesis

Reviewer: Herschell Emery      Secondary Reviewer: Hongsik Choi **Approved**

UUC 10-18-026 - Revision of Course [Course cross listing, bulletin copy, and curriculum] - MATH/BNFO 380, Introduction to Mathematical Biology

Reviewer: Joseph Walsh      Secondary Reviewer: Lisa Brown **Approved**

UUC 10-18-027 - Revision of Course [Course prerequisites, bulletin] PHIS 206/BIOL 206 Basic and PHIS 206L BIOZ 206L, Human Physiology and Human Physiology Lab

Reviewer: Joseph Walsh      Secondary Reviewer: Lisa Brown **Tabled**

[Pending clarification of data presented and specific UUC requests: (1) Drs. George Ford and Jan Chlebowski will present all the course changes of this nature at one time, (2) will gather letters of support for these actions from the Health Sciences directors and chairs, and (3) will come to UUC to answer questions.]
